Glunz & Jensen

Glunz & Jensen is the world's leading supplier of innovative, high-quality plate making solutions for the global prepress industry. In addition to developing and producing processors for the offset and flexo printing industry, we also offer after sales service. Our product portfolio also includes exposure units, dryers, light finishers, mounting tables, plate stackers and software for monitoring and controlling complete prepress processes.

Glunz & Jensen has been a recognized leader in prepress for more than 45 years. We have long-standing relations with major customers such as Agfa, Asahi, DuPont, Flint, Fujifilm, Heidelberg, Kodak and MacDermid, the world's largest suppliers of printing systems. Glunz & Jensen market our products through a comprehensive and worldwide network of distributors and dealers, and the Group has approx. 100 employees in our facilities in Denmark, Slovakia, and USA.

Our goal is to be the most innovative hardware and services provider in our product areas, and thereby expanding our market share with global customers. At the same time, we will strengthen our earnings through optimization of prices, production, logistics and capacity utilization.
