

To Nasdaq OMX Copenhagen A/S

Public announcement no. 579

October 23rd, 2025

CHANGE IN OUTLOOK (GUIDANCE) FOR 2025

The Board of Directors in Glunz & Jensen Holding A/S have reviewed and approved a change in the outlook (guidance) for 2025.

Highlights

- The revenue for 2025 is expected at approximately DKK 140 million (previous outlook approximately DKK 132 million)
- EBITDA for 2025 is expected at approximately DKK 17 million (previous outlook approximately DKK 15 million)
- Profit before tax for 2025 is expected at approximately DKK 11 million (previous outlook approximately DKK 8 million)

The improved financial figures are due to the implementation of Plan 2026 as described in the annual report for 2024. Plan 2026 includes operational consolidation, additional focus on purchase of parts and materials, an updated go-to-market approach, new product launches, and organizational adjustments. Plan 2026 is on track.

Glunz & Jensen Holding A/S is currently not able to conclude how the imposing of trade tariffs will affect the demand for equipment, spares, and services in the foreseeable future, and/or how the profitability of Glunz & Jensen will be affected accordingly.

Following the mandate received at the annual general meeting on April 9th, 2025, Glunz & Jensen Holding A/S has initiated the selling process of Selandia Park A/S, or the selling of assets (primarily the investment property) owned by Selandia Park A/S. See also company announcement no. 578.

The Board of Directors and the Executive Management of Glunz & Jensen Holding A/S have no knowledge or assessment of the to-be actual selling price of Selandia Park. The Board of Directors and the Executive

Glunz & Jensen in short

Glunz & Jensen is a supplier of innovative, high-quality plate making equipment and solutions for the global prepress industry. In addition to developing and producing processing equipment for Offset and Flexo printing technologies, equipment for Offset and Flexo printing technologies, we also offer premier customer support as well as a full range of spare parts, wear parts and consumable products. Our diverse product portfolio includes inkjet imaging systems, exposure units, wash out units (processors), dryers, light finishers, full-automatic platemaking (inline) systems, mounting tables, plate stackers & turners.

Our R&D, supply chain, production, testing, and training facilities are in Presov, Slovakia, and our products are based on application know-how and own developed technology. In addition, we have an R&D and test facility in Odense, Denmark, working on unique applications and technology for our single largest customer.

Glunz & Jensen has been operating in prepress for more than 50 years. We have long-standing relations with major industry leading companies such as Asahi, DuPont, ECO3, Fuji Film, Heidelberg, KBA, Kodak, MacDermid, Miracron, TechNova and more. We market our products and solutions globally through a well-established, comprehensive, and worldwide network of distributors and dealers. We have approx. 100 employees in our facilities in Denmark, Slovakia and the USA.

We are on the path to be the most innovative high-end equipment and services provider, delivering outstanding value for money in our product areas, and thereby growing our market share with our global partners. We are also set to strengthen our earnings through improved trade profitability and optimized manufacturing including within procurement and supply chain.

The shares of Glunz & Jensen Holding A/S are listed at NASDAQ OMX Copenhagen A/S.
