

We are now seeking a skilled and detail oriented Global Service Technician for our Flexographic products, to join our dynamic team.

## **Global Service Technician - Flexographic Prepress**

Location: **Europe** (Position involves extensive international travel)

### **Responsibilities:**

- Conduct on-site installation, maintenance, and repair of flexographic prepress equipment for clients worldwide.
- Provide technical support and training to customers on the operation and maintenance of our machines.
- Troubleshoot electrical and mechanical issues, ensuring prompt and effective resolution.
- Collaborate with the product management team as well as R&D, to improve product design and functionality.
- Maintain accurate records of service activities, including detailed reports and documentation.
- Stay updated on industry trends, technologies, and best practices.

### **Qualifications:**

- Minimum of 2 years of experience as a service technician in the flexographic industry.
- Proficient understanding of flexographic prepress processes and equipment.
- Good electrical skills with the ability to diagnose and repair electrical systems.
- Proven field service experience, preferably in an international context.
- Willingness to travel extensively, sometimes on short notice, to customer locations worldwide.
- Excellent communication skills and the ability to work independently and collaboratively.
- Well accustomed to diligent requirement for detailed service administration and fact based documentation.
- Experience from operating with service management tools is an advantage.
- Flexibility to adapt to different cultures and work environments.
- Good command of English

**Education:** Degree in Electrical Engineering, Mechatronics, or a related field is preferred.

### **Benefits:**

- Competitive remuneration
- Comprehensive health insurance.
- Retirement savings plan.
- Opportunities for professional development and career advancement.

**How to Apply:** Interested candidates are invited to submit their resume, cover letter, and references to CCO, Per Arild on pga@glunz-jensen.com. Please include "Global Service Technician Application" in the subject line.

Glunz & Jensen is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. We offer competitive compensation, benefits, and the opportunity to be part of a dynamic, innovative, globally focus company.
